BY THE COMMISSION:

By application filed December 31, 2003, Big Planet, Inc. (Big Planet) of Provo, Utah, seeks to surrender its certificate of authority and withdraw its tariff previously granted in Application No. C-1831. Notice of the application was published in The Daily Record, Omaha, Nebraska, on January 5, 2004. No protests were filed; therefore, this application is processed pursuant to the Commission's Rule of Modified Procedure.

OPINION AND FINDINGS

Big Planet is a privately-held corporation headquartered in Provo, Utah. Big Planet was authorized by this Commission to provide intrastate interexchange telecommunications services in Nebraska, pursuant to Application No. C-1831.

By letter dated December 30, 2003, Big Planet requested that the Commission cancel their certificate of authority and approve the withdrawal of their Nebraska tariff. Big Planet does not provide telecommunications services to any customers in the State of Nebraska and has no outstanding obligations to any Nebraska customer. Big Planet does not intend to operate as a provider of intrastate telecommunications services in Nebraska.

Upon consideration of the request and being fully advised, the Commission finds the request to be reasonable and finds that Big Planet may surrender its certificate of authority and withdraw its tariff previously granted by the Commission in Application No. C-1831.

ORDER

IT IS THEREFORE ORDERED by the Nebraska Public Service Commission that Application No. C-3086 be, and it is hereby, granted and the certificate of authority and tariff authorizing Big Planet to provide intrastate interexchange telecommunications services are withdrawn.
